EMT-1 to EMT- 2 Course Prerequisite Verification

Instructions: An applicant for the EMT-1 to EMT-2 Course should complete all blocks in section A. Each line in Section B should be completed by the individual who witnessed the patient contact. The witness must be an individual certified at the EMT-1 or above, who is certified or licensed to perform the skills being verified. The applicant must complete the prerequisites prior to entry into the EMT-2 course. A copy of this form must be uploaded to the State of Alaska electronic certification application along with the 5 patient care reports.

Section A: Applicant Information	
Name of Applicant:	Name of Instructor EMT-2 Course
